

Paul Green

WhatsApp sales keynote speaker

Your audience leaves with a system. Not a feeling.

Paul Green is a former commercial airline pilot and the founder of Client Funnels. He speaks on conversation-led selling, WhatsApp follow-up and event audience capture, with sessions built for the part of an event that happens after the applause.

The talks

Mayday, Mayday

The grounded pilot story, personal first, commercial second. A candid keynote on reinvention, systems and the human side of commercial change.

Conversations That Change Business

Why the businesses winning right now are not necessarily the ones with the biggest ad budgets. A practical keynote on attention, intent and the conversations that turn interest into action.

Workshop formats

- WhatsApp Sales Masterclass, 90 minutes
- Event Audience Capture, built around practical QR-led conversation capture

Event proof

- 50+ events delivered
- Approximately 75% average audience capture
- 98% best single result at Expert Empires 2026

Practical requirements

Keynotes, masterclasses and workshops are available online or in person. For event audience capture, Paul needs a screen, a clear call to action and adequate time for the room to act.

Availability and fees

This is a paid booking. Fees are scoped to the session format, audience size and event date.
